FIRST BAPTIST CHURCH

1871-1986

Boone, North Carolina

The first date in the life of the Boone Baptist Church which can be fully verified was September 1, 1871, when the church was accepted as a member of the Three Forks Association. On an unknown date prior to that time, the charter members met in the Watauga County court house and organized what has become the First Baptist Church of Boone. The founders were Mr. & Mrs. Nathaniel Critcher, Mr. & Mrs. Guilford Critcher, Mrs. Carrie Coffey, Mr. & Mrs. Waitsell Gragg, Mr. & Mrs. W.L. Bryan, Mr. & Mrs. J.D. Bryan, Mr. & Mrs. Thomas Greer, Mr. & Mrs. Wiley Holtzclaw, and Reverend and Mrs. J.W. Hall.

The new church elected as its first pastor the Reverend William Baldwin, who was a member of the South Fork Church. The remaining twenty-one pastors, with their dates of service, are as follows:

William Baldwin, 1871-1872	J.H. Farthing, 1909-1911
J.W. Hall, 1871-1874	J.M. Payne, 1913-1915
D.C. Harmon, 1872-1874; 1876-1878	M.A. Adams, 1916-1917
T.F. Nelson, 1875	R.D. Cross, 1918-1919
I.W. Thomas, 1878-1886	F.M. Huggins, 1920-1926
E. Frank Jones, 1886-1893; 1899-1903; 1912	P.A. Hicks, 1927-1934
J.J.L. Sherwood, 1893-1895; 1904-1906	J.C. Canipe, 1934-1946
J.H. Yarboro, 1895	W.George Bond, 1947-1952
J.F. Davis, 1895-1899; 1908-1909	L.H.Hollingsworth, 1952-1959
L.C. Wilson, 1903	J.Boyce Brooks, 1960-1971
	Robert Clifton Mann, 1972-1983
	Steven C. Carreker, 1984

During the first forty years of the life of the church, the number of members fluctuated between eleven and sixty-six. For most of that time it was the smallest church in the Association. The first Associational report showing more than one hundred members was made in 1914 when the church was forty-four years old. The church membership in 1984 totals 1312.

The congregation continued to meet in the court house until the first church building was constructed in 1873 on what is now Rivers Street. In 1916 a red brick

church was built on the corner of King and College Streets. Just behind that, ground was broken on April 1, 1929, for the educational building, the first unit of the present church plant. It was constructed of yellow brick and was used for worship services until May 30, 1937, when the first service was held in the present sanctuary facing King Street. Major renovations of this facility were made in 1953, 1964, and 1983. The church plant was further expanded by the addition of a Baptist Student Union Building, which was made possible with the aid of the Baptist State Convention Executive Committee, in 1965. This was the same year that the Chapel was completed. From time to time changes and improvements have been made in offices, library, classrooms, choir room, recreational areas, and fellowship hall.

The church staff has gradually been enlarged to include Pastor, full-time Minister of Education, full-time Minister of Music (with graded choirs), Youth Director, organists, secretaries, and janitors. In addition to these paid positions, there are dozens of volunteer services from the membership.

Just as Three Forks Baptist Church is, in an historic sense, the mother church of all other Baptist churches in Watauga County, First Baptist Church of Boone is the parent of Greenway Baptist Church, located on Greenway Drive. In April of 1951 a committee was appointed to set up a mission Sunday School in an abandoned service station on the old road to Blowing Rock just opposite the present Cardinal Motel. This was the first step in bringing into being the present Greenway Baptist Church, which eventually became independent and was enlarged into a spacious and beautiful facility.

"Pairings" with other churches have been recommended by the Southern Baptist Convention. "Sister-church" relationships have also been established with the First Baptist Church of Essex, Maryland, in 1977; the Heritage Baptist Church, of Pinch, West Virginia, in 1980; and a covenant relationship with the Phibsborough Baptist Church of Dublin, Ireland, in 1980.

The needs and ministries of the church have broadened, and since 1969 there has been a marked increase of "flow of decision making" away from the diaconate and the general church conference to committees, except as policy changes

affected the church; such changes were returned to the diaconate for purpose of review. Among the many active committees was "The Committee of Twenty-four," signifying their number--made up of the chairmen of twenty-four committees. In 1974 the church elected a "Long-Range Planning Committee" to investigate areas of ministries and physical facilities for the church. There were fifty-six carefully detailed implementations over the following five year period. In 1981 the church conference formed a committee to guide the "Together We Build" program, which lasted until April of 1984. By August of 1981 the fund-raising pledges to complete the church renovations had reached \$322,169.16. By March of 1984 the church was only about \$39,000.00 in debt, although expenditures had been much heavier than anticipated. The 1984 annual budget of the church is \$336,000.00.

Over the years, there have been many gifts from individuals in the church which cannot be listed in this abbreviated history. They have included a number of gifts of land, musical instruments, pews, furnishings, and decorations. The donors have usually made these bequests in the form of memorials or in honor of living members who have made outstanding contributions to the life of the church.

Several of the celebrations of the church have included some memorable occasions: The First Baptist Church Centennial Program in 1971 when six Sundays were given over to special observances of different historic aspects of church life during its one hundred years; the laying of the cornerstone in the church chapel in January, 1975, celebrating the note-burning which marked the freeing from church indebtedness: the Fortieth Anniversary in 1977 of the occupancy of the present church sanctuary (built in 1937); the "Together We Build" banquet held for the entire church family on May 3, 1981, at which time a mammoth fund-raising program was launched to complete the projected plans for renovation of the church; and the Homecoming/ Anniversary Celebration on August 30, 1981, when the church membership met for special services in retrospect of 110 years of church history.

We revere the old and rejoice in the new! Perhaps a blending of the two is nowhere better shown than in the old church bell which is placed beneath the spire of the church.

The spire, symbolically pointing heavenward, is the capstone of the final phase of the recent church renovation; the bell (now electronically operated) lay in a darkened cellar of the church following its removal from the red brick church building many years ago. It has been redressed, replated, and mounted in memory of the founding members of the church. Its beautiful sound calls those who hear to come to worship. It seems entirely appropriate that the bell which rings in the church today is the same one that rang in the original building when it was constructed in 1875.

NOVEMBER 13, 1985

In church conference, the church approved the recommendation from the Memorials Committee that May 4, 1986, be set aside as a day of celebration to praise, honor, and glorify our Lord, who has blessed us in such a bountiful way. Through these blessings, we have been able to pay off our indebtedness on the Together We Build program, the parking lots, and other projects that we have undertaken. As our notes of indebtedness are burned, we also think it appropriate to recognize the cooperative effort of many of our members who have given of their time, talents, and energy to make this

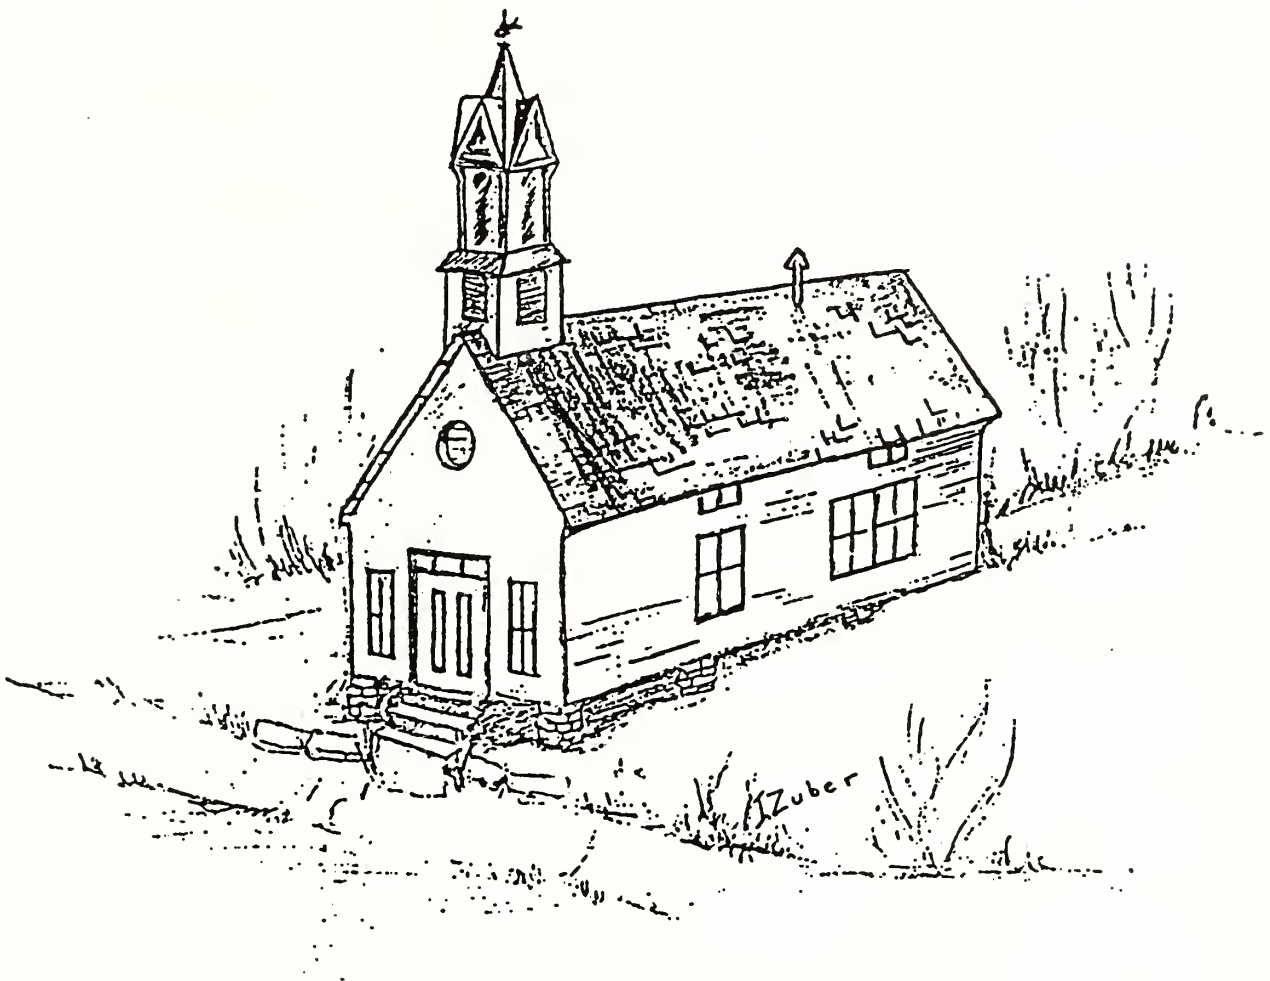

possible, and also that May 4, 1986, be Homecoming Day for loved ones and friends who would like to join us in this joyous day of celebration.

DECEMBER 11, 1985

Mann Memorials and Historical Room" with an appropriate plaque and also that two unbound sheets from the recently published The Heritage of Watauga County, 1849-1984 be mounted and appropriately framed for the Memorials Room. One sheet deals with the history of the First Baptist Church (with drawings) and the other sheet is a biography and photograph of Dr. Mann.
